(Hours by Arrangement)

**\*\*INTERNATIONAL students only:** Remote synchronous classes are available via online or Webex/Zoom video wall if you are unable to secure your visa due to COVID 19. Please contact Rutgers Global for details.

**\*\*ALL UNMA graduate students:** All remote synchronous classes (blue) will be at the times that they are scheduled via the CRM and Webex and Zoom – please check with professor on what platform the course will be taught. All courses are available to take remotely as long as student confirms technology requirements. Courses will require: Webcam, Microphone, Phone Camera and High speed internet. If you cannot confirm technology needs via Rutgers IT, then students should not proceed to take the courses this semester.
